

NOOR

AI Automation Intern | Aspiring AI Automation Developer

Email: noor@example.com | Phone: +92 XXX XXXXX | Location: Pakistan

CAREER OBJECTIVE

Motivated and hardworking aspiring AI Automation Developer looking for an opportunity to apply skills in workflow automation, programming, databases, APIs, and AI tools. Interested in building practical automation solutions and continuously learning new technologies.

EDUCATION

Bachelor's Degree in Computer Science
University of Pakistan | 2023 – 2027

TECHNICAL SKILLS

- Python • JavaScript • SQL • PostgreSQL • Supabase
- n8n Workflow Automation • REST APIs • JSON • Webhooks
- Git & GitHub • AI/LLM Integration • Prompt Engineering

PROJECTS

AI-Assisted Recruitment Automation

- Built an n8n workflow for processing candidate applications.
- Used AI to extract candidate skills and provide an assessment score.
- Implemented rule-based candidate assessment.
- Added human approval before the final recruitment decision.
- Stored candidate information in Supabase.

Company Knowledge AI Assistant

- Built a RAG-based AI assistant using n8n and Supabase.
- Implemented document-based knowledge retrieval.
- Added fallback responses when information was unavailable.
- Added conversation memory and human escalation.

EXPERIENCE

AI Automation Intern | 2026 – Present

- Created workflow automations using n8n.
- Worked with APIs, webhooks, databases, and AI models.
- Built error-handling and human-in-the-loop workflows.
- Integrated Supabase with automation workflows.

STRENGTHS

Problem Solving • Quick Learner • Teamwork • Communication • Attention to Detail
